VỊT DONALD

Nhỏ như lòng bàn tay

Người dịch: VĂN THẮNG

1. AAAAARRGH!

2. Good grief! That sounds like Uncle Scrooge!

3. Come on, kids! We gotta see what's going on in there!

4. But you promised to drive us to

Duckburg River so we could...

5. Not now! Uncle Scrooge could be in terrible danger!

6. Forget it! He probably just got his electricity bill! You know how that always upsets him!

7. What's goin' on, Uncle Scrooge? Is it something serious?

8. You bet it is, Donald! The Maharaja of Huddliputt is coming to visit me! Today!

9. Tiểu vương không phải là một trong số những người cộng sự làm ăn quan trọng nhất của bác sao? Hơn nữa, lần trước bác đến thăm thành phố của ông ta, bác kể rằng, ông ta đã đối đãi bác hết sức nồng hậu mà!

10. Nếu cháu nhớ chính xác thì ông ấy đã hướng dẫn bác đi tham quan vòng quanh khắp thành phố!

11. Đúng vậy! Và bây giờ ông ấy muốn bác cũng làm như thế, với ông ấy, ở Duckburg này!

12. Cháu đoán là bác cho rằng như vậy là đòi hỏi quá nhiều chứ gì?

13. Không phải vậy đâu, Donald!

14. Chỉ tại vì đúng ngay ngày hôm nay bác phải đọc bài diễn văn đầu tiên tại Câu lạc bộ Triệu phú khi tụi bác tổ chức chuyến du ngoạn thường niên xuôi dòng sông Duckburg!

15. Nếu bác bỏ thì họ sẽ đá đít bác ra khỏi câu lạc bộ, và điều đó sẽ là một tai họa đối với sự nghiệp kinh doanh của bác!

16. Không sao đâu! Trong tức cháu dẫn vị Tiểu vương đi tham quan thành phố, bác cứ việc đi du ngoạn!

17. Cháu chắc chắn chứ?

18. Bọn ta sẽ gút lại một vụ kinh doanh rất quan trọng chiều nay, do vậy điều hệ trọng nhất là phải làm ông hoàng này cảm thấy hài lòng!

19. Bác không muốn phải nghĩ về việc ông ấy bối rối khó chịu như thế nào vì cháu lạc đường hay gì đó đâu nhé!

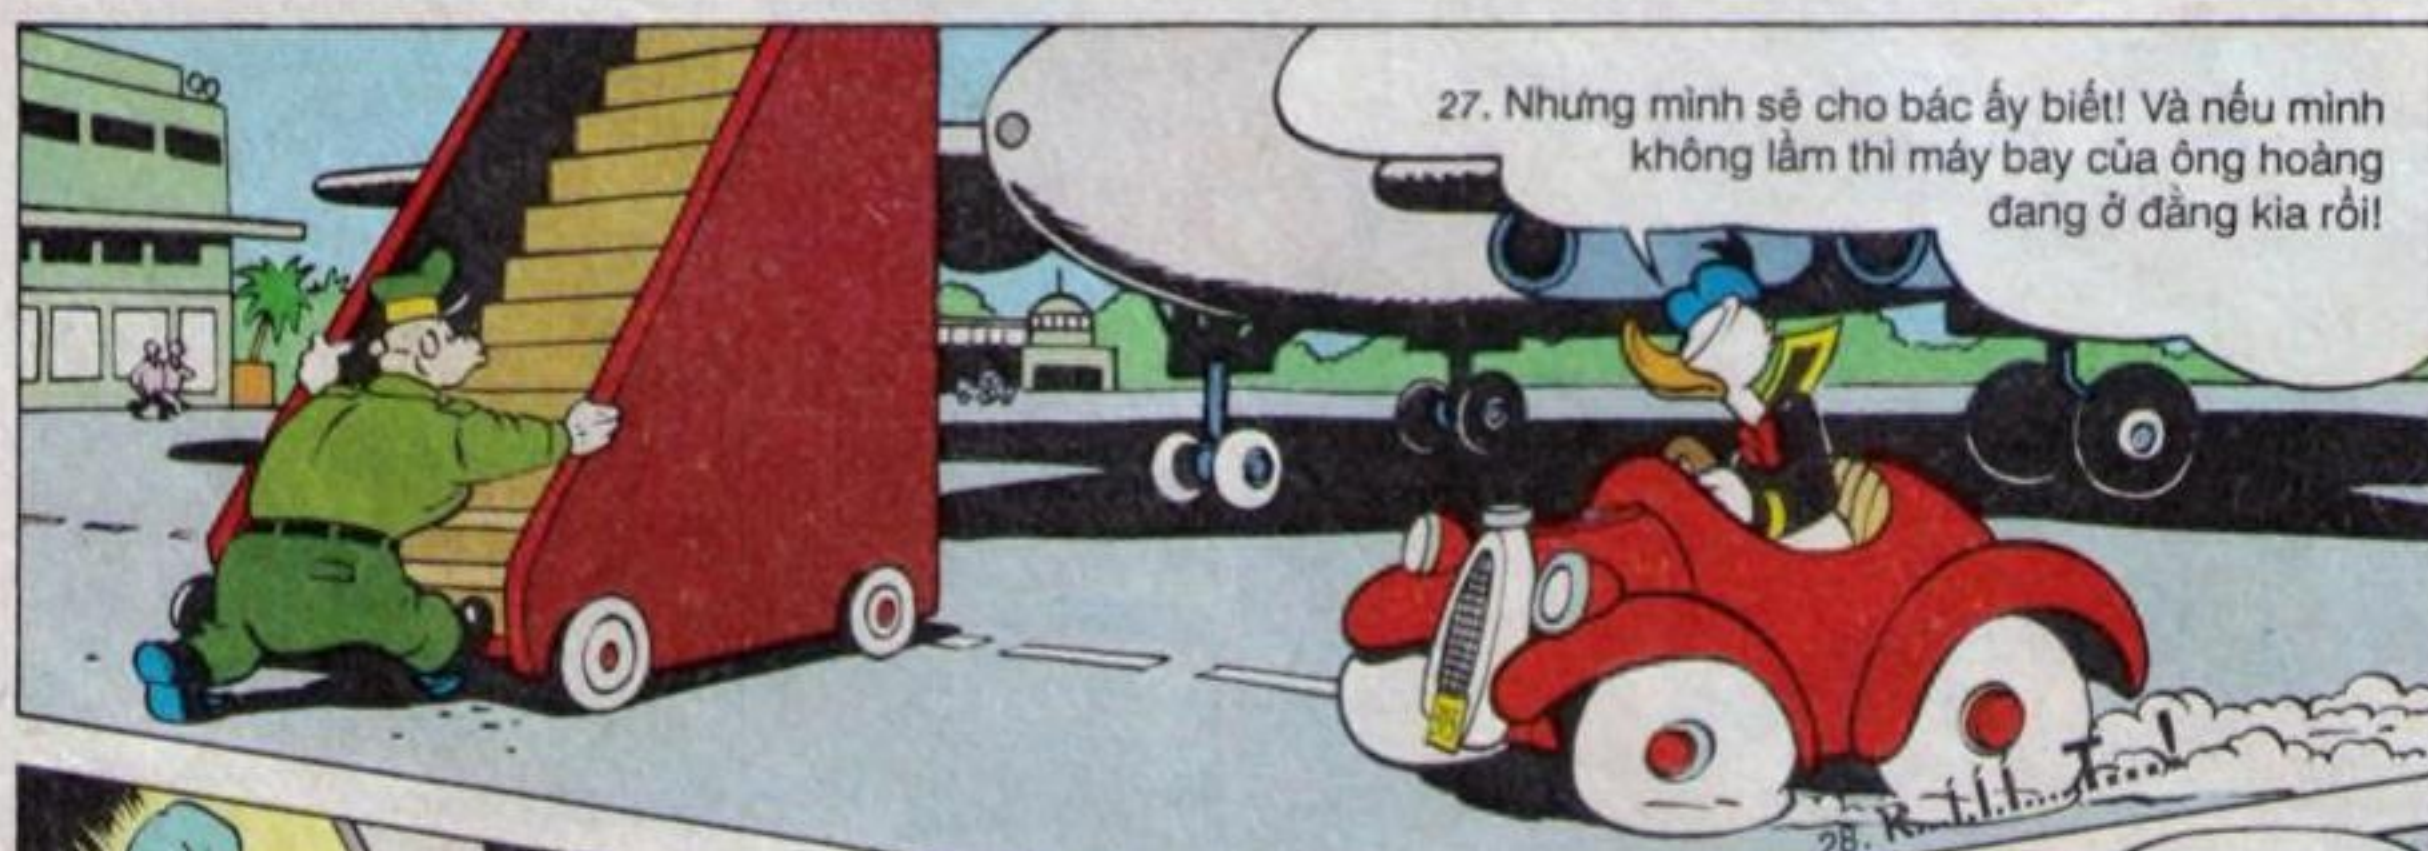

20. Đừng lo bác Scrooge ạ! Cháu biết rõ thị trấn này như lòng bàn tay cháu vậy!

9. Isn't the Maharaja one of your most important business associates? Besides, the last time you visited his hometown you said he treated you specially well!
10. If I remember correctly, he took you on a guided tour around the entire city!
11. That's right! An now he expects me to do the same for him, here in Duckburg!
12. I guess you think that's much too much to expect?!

13. Not usually, Donald!
14. It's just that today, of all days, I'm due to give the first speech at the Millionaires' Club as we take our yearly cruise down Duckburg River!
15. If I cancel, they'll boot me out of the club, and that would be catastrophic as far as my business career is concerned!
16. No problem! You go on your cruise, while I take the Maharaja on a guided tour

of the town!
17. Are you sure?
18. We're going to conclude a crucial business deal this evening, so it's of the utmost importance that the Maharaja's in a good mood!
19. I don't want to think about how upset he might become if you were to lose your way or something!
20. Don't worry, Uncle Scrooge! I know this town like the back of my hand!

21. Okay! If you drive to the airport and fetch the Maharaja, I'll drive down to Duckburg River!

22. Can we come too, Uncle Scrooge? We have to practice for our Junior Woodchucks lifesaving badges!

23. Sure, boys! Jump in!

24. See you later!

25. Hey!

26. Humpf! How can Uncle Scrooge possibly doubt that I'd be able to manage a simple, little task like this!

27. But I'll show him! And if I'm not mistaken, that's the Maharaja's plane over

there!

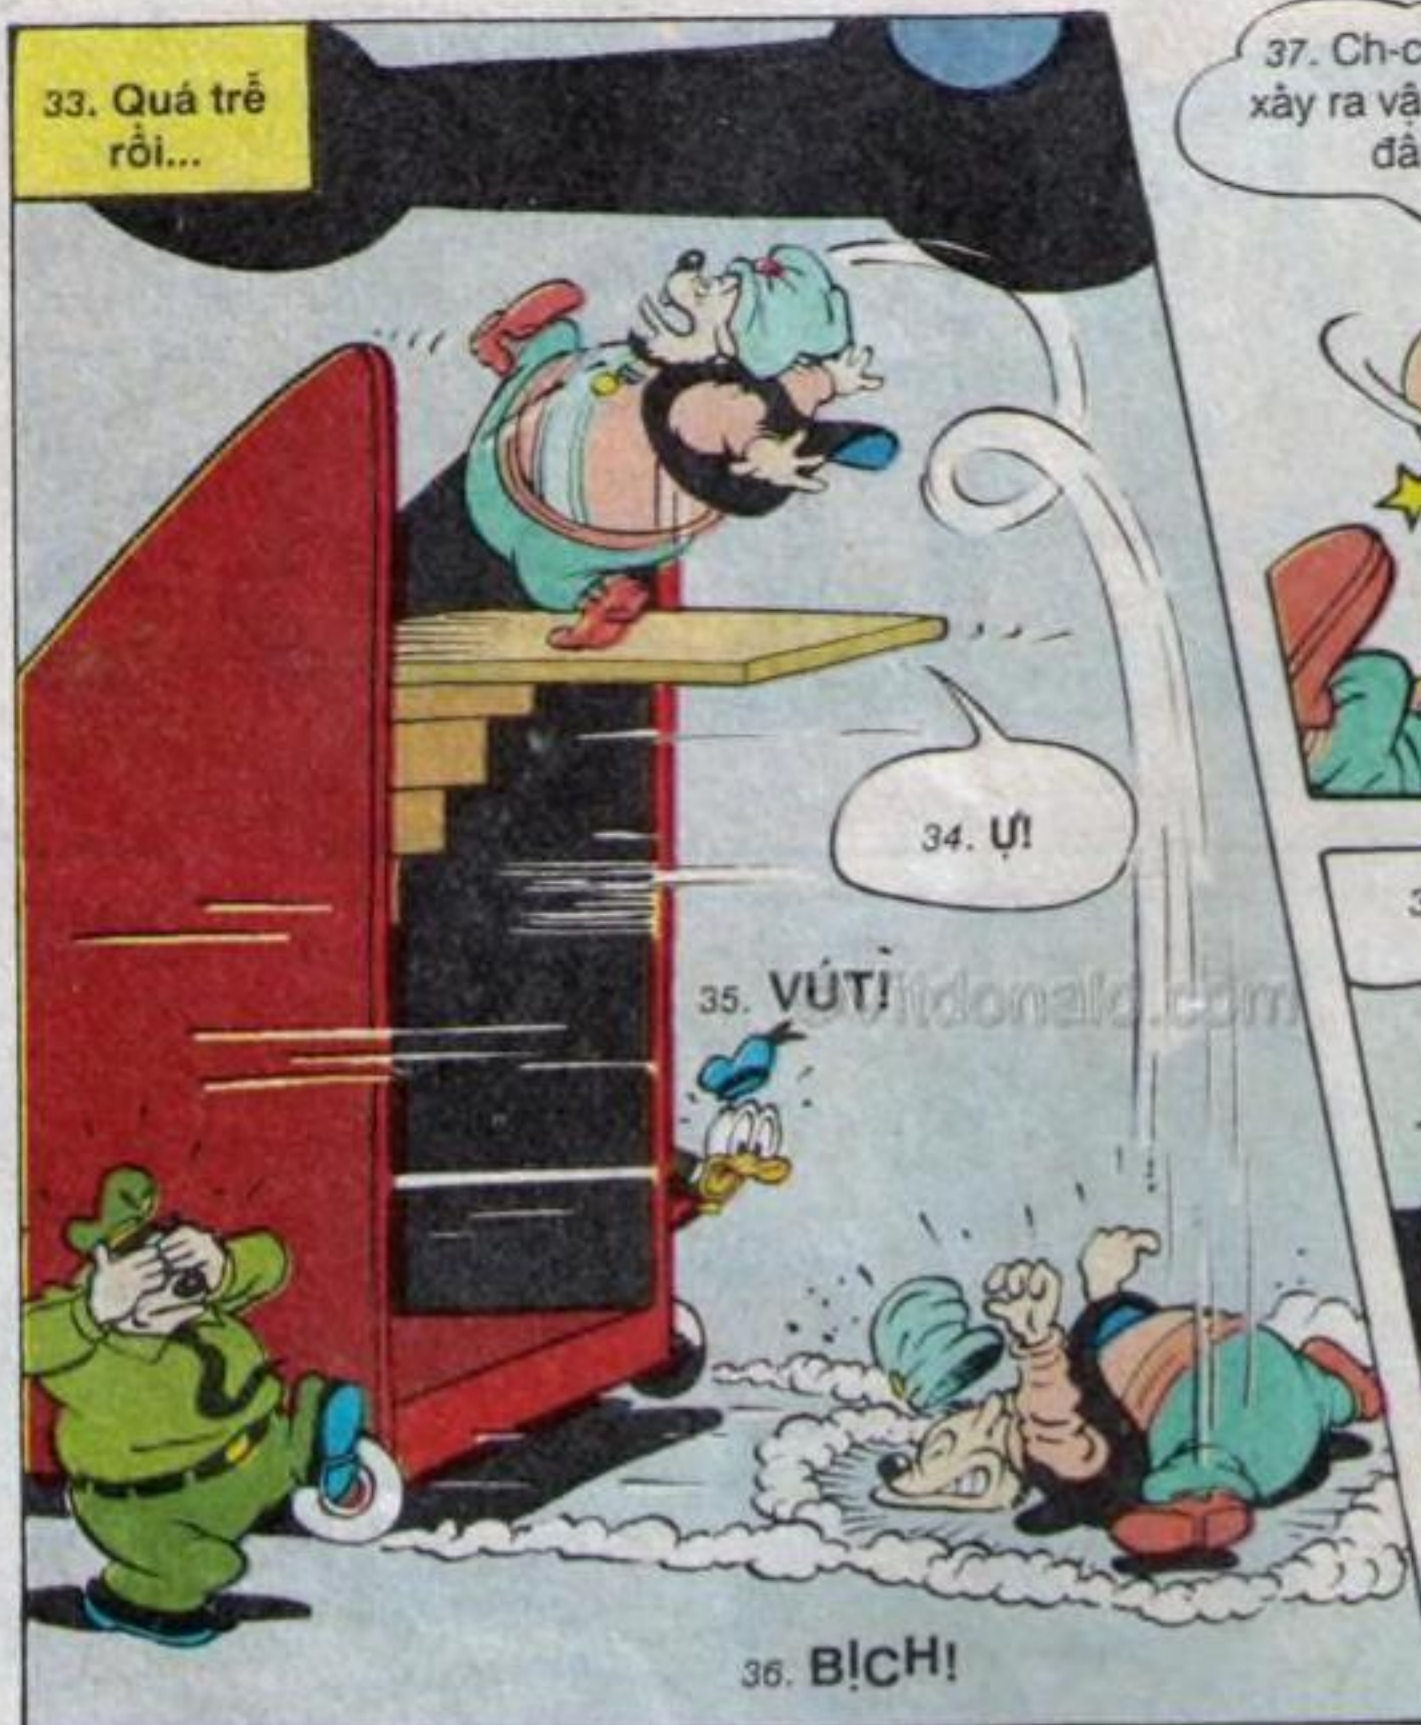

28. SCREEEEEEACH!

29. Hi there, pal! Let me help you with that!

30. Huh?

31. What's this lever supposed to do?

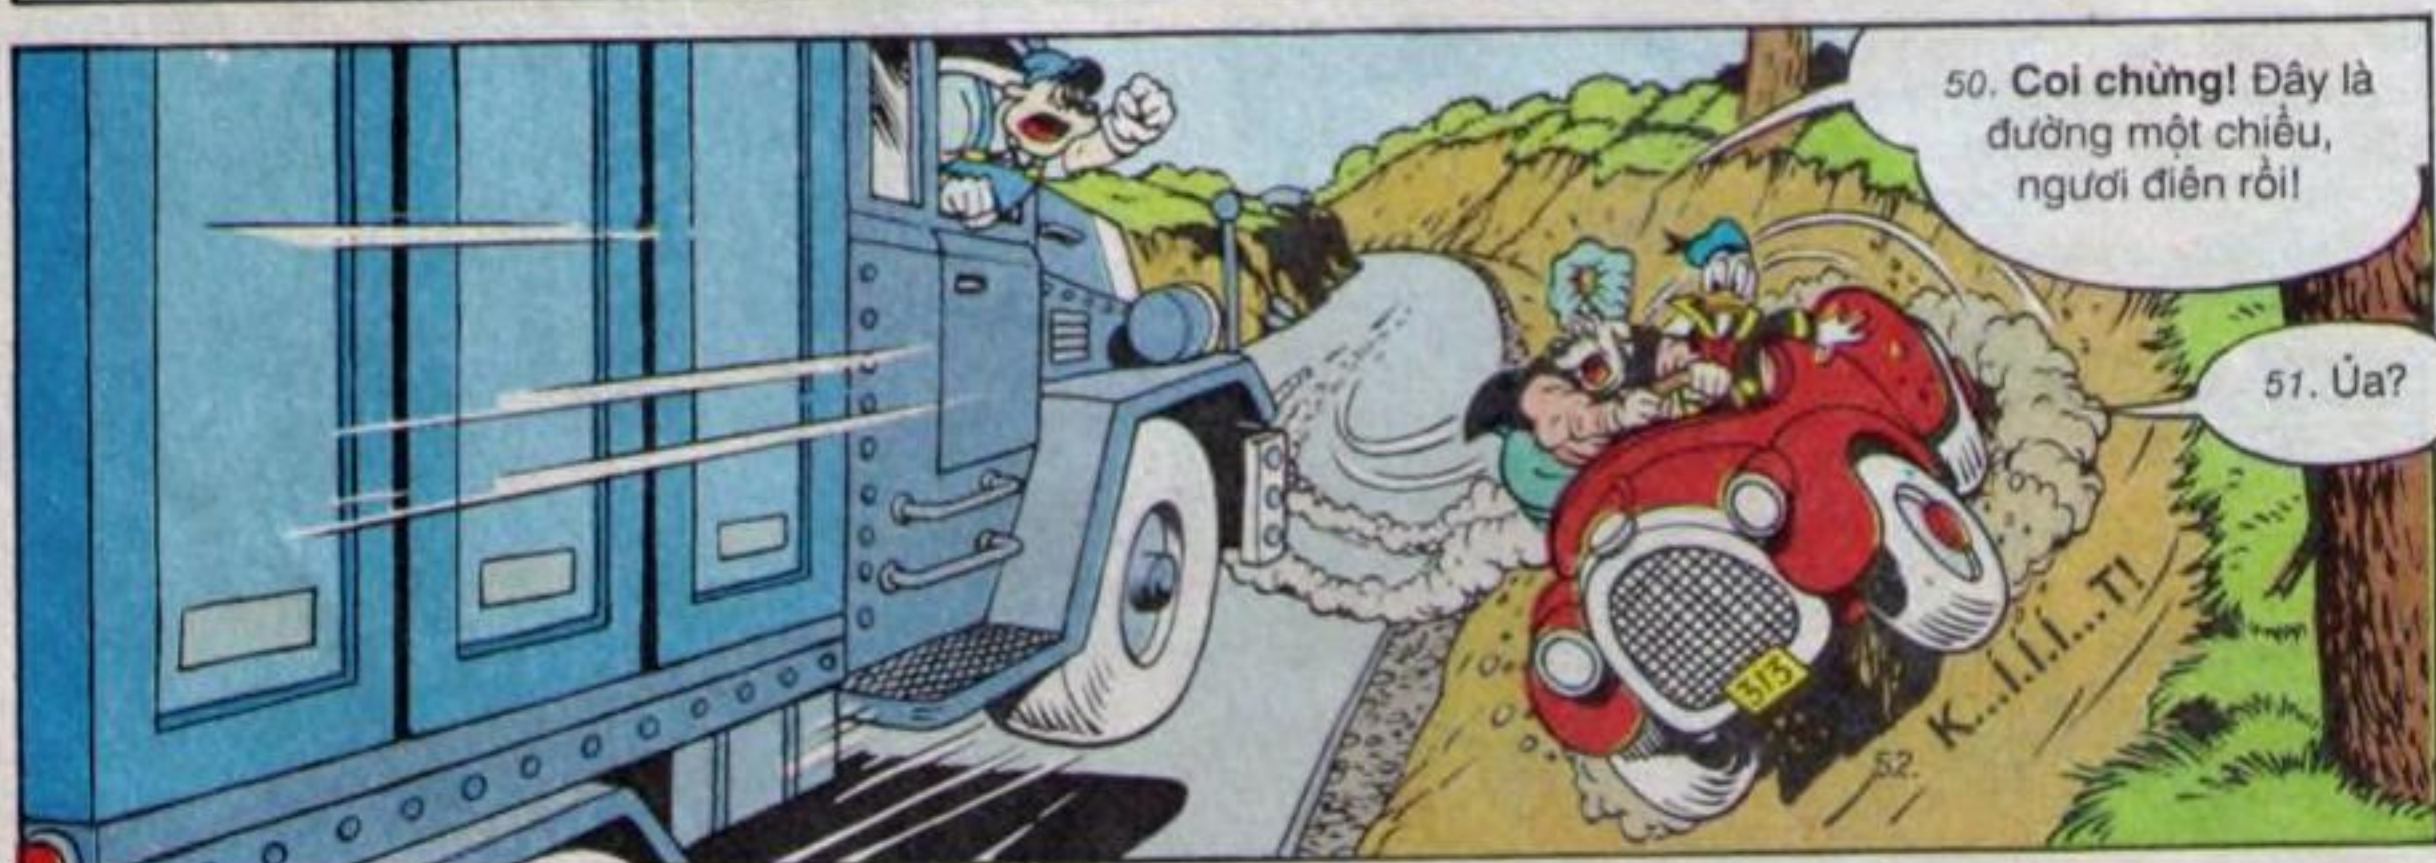

32. For heavens sake, don't touch that!

33. Too late —
34. URGH!
35. WHIIR!
36. SPLAT!
37. W-what happened? Where am I?
38. Don't worry, Your Hugeness! You're in >er! < good hands!

39. Who are you?
40. Donald Duck at your service, Your Greatness! My uncle, Scrooge McDuck, has asked me to give you a guided tour of our fair city!
41. I see! But would you first escort me to the best hotel in town! I need a bath!

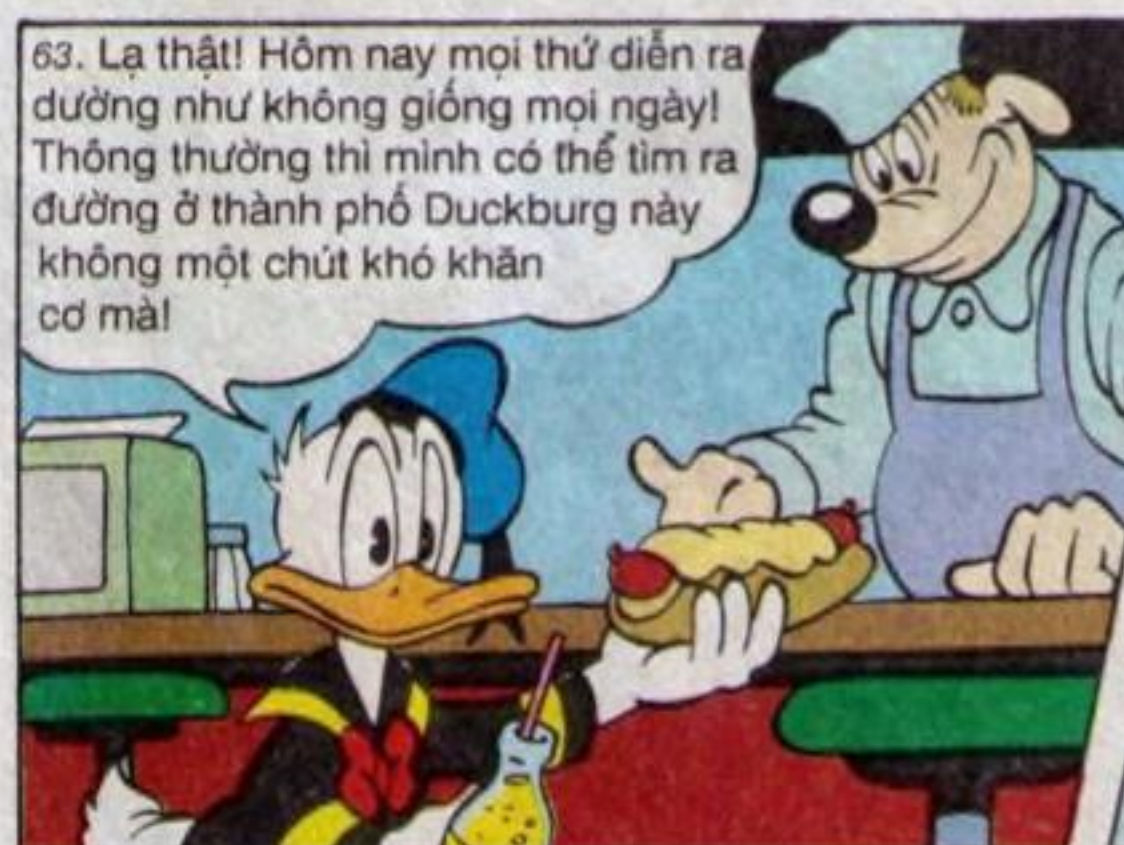

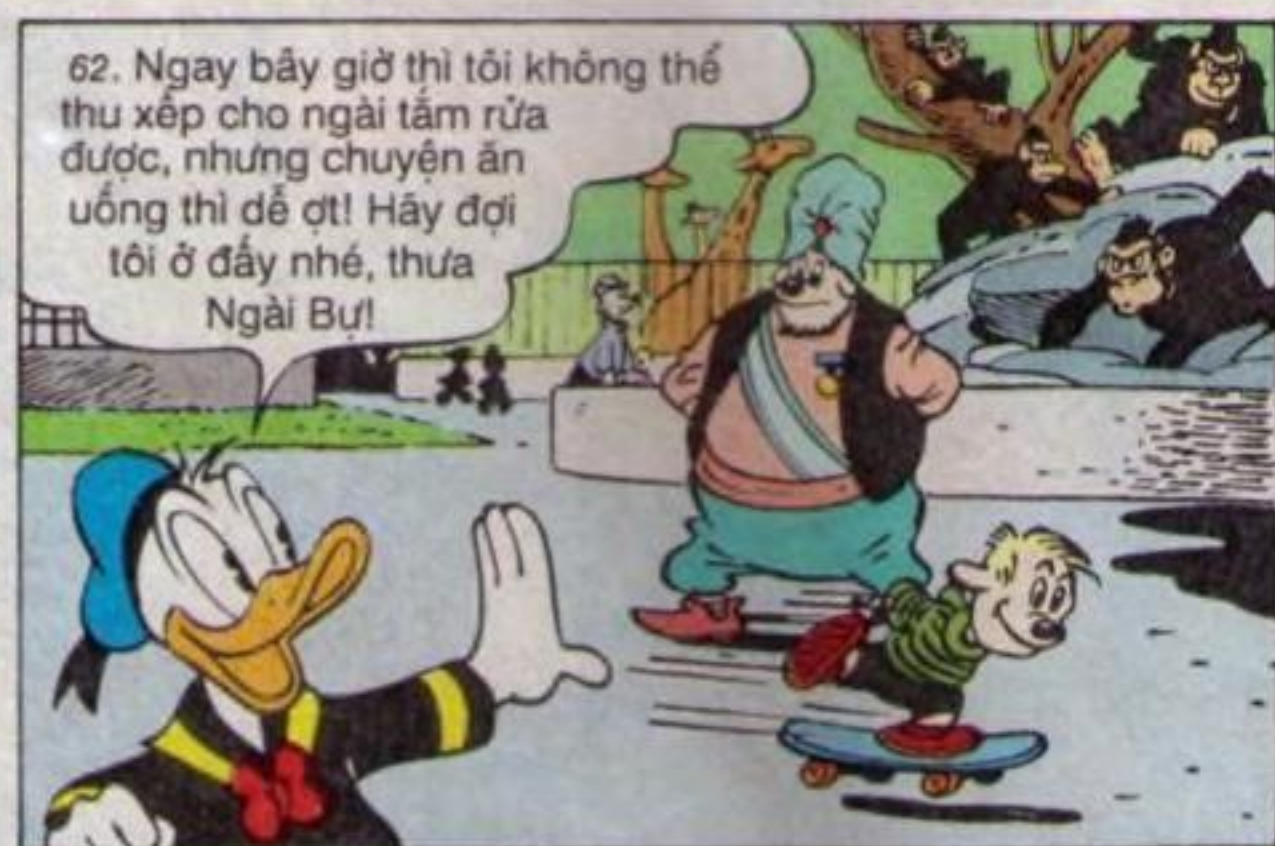

42. Nonsense! You're not staying at a common hotel, Your Largeness! As Uncle Scrooge's guest you'll be residing at the Millionaires' Club!
43. Well, if you insist...
44. I do, Your Ampleness! Nothing is too good for Uncle Scrooge's friends!

45. Aren't we driving just a bit too fast?
46. Time is money, Your Vastness!
47. And luckily I know all the shortcuts around this town!
48. No entry one-way road
49. Yes, Your Heftiness! With me behind

the wheel you'll get where you're going quickly, safely and...
50. LOOK OUT! It's a one-way road, you maniac!
51. Eh?
52. SCREEECH!

53. I don't understand it! There shouldn't be a one-way road here!
54. A guided tour, my foot!
55. Let's not argue, Your Immenseness! The Millionaires' Club is just around the next corner!

56. Are you quite sure about that? In my opinion, this looks more like the zoo!
 57. How strange! I wonder how we got here?
 58. I don't know! But what I do know, is that I'm hungry and thirsty! And I still want a bath!
 59. DUCKBURG ZOO

60. Come on! Just give me five minutes, Your Fatness!
 61. Hot dogs
 62. I can't quite manage your bath just now, but refreshments are a cinch! Wait for me there, Your Wideness!
 63. This is weird! Things don't quite seem to be going as they should today! I can

usually find my way around Duckburg without a hitch!
 64. Oh, well! I can't imagine that anything else can possibly go wrong!
 65. Hey! Look out!
 66. WHOOPS!
 67. OUCH!
 68. THOK!

69. How typical! He just had to land on top of the leader of the pack!
 70. URGH!
 71. UNGH!
 72. Oh, dear! This I don't want to see!
 73. HELP!
 74. GROWL!
 75. Quick! You gotta save him before

those beasts tear him limb from limb!
 76. He should have thought of that before he jumped!
 77. Grr! I didn't jump of my own free will!
 78. Er, let's not discuss it!
 79. I guess you're right! Please just drive me to a place where I can get a soothing bath!

80. You wish is my command, your bulkiness! I'll drive you straight to Duckburg's finest hotel!
 81. Yes, I should have brought you here right from the start!
 82. This isn't a hotel! You ought to consult a map, my good man!

83. Er, I don't really understand how we ended up here, Your Greatness!

84. But never mind! As Uncle Scrooge's friend you'll be welcomed with opened arms in this establishment!

85. THE MILLION CLUB

86. Is something wrong?

87. Yes, I've just remembered that the entire club have gone on their yearly cruise on Duckburg river!

88. YANK! YANK!

89. But as luck would have it, they're all much too stingy to install a burglar proof lock! I'll have the door open in no time!

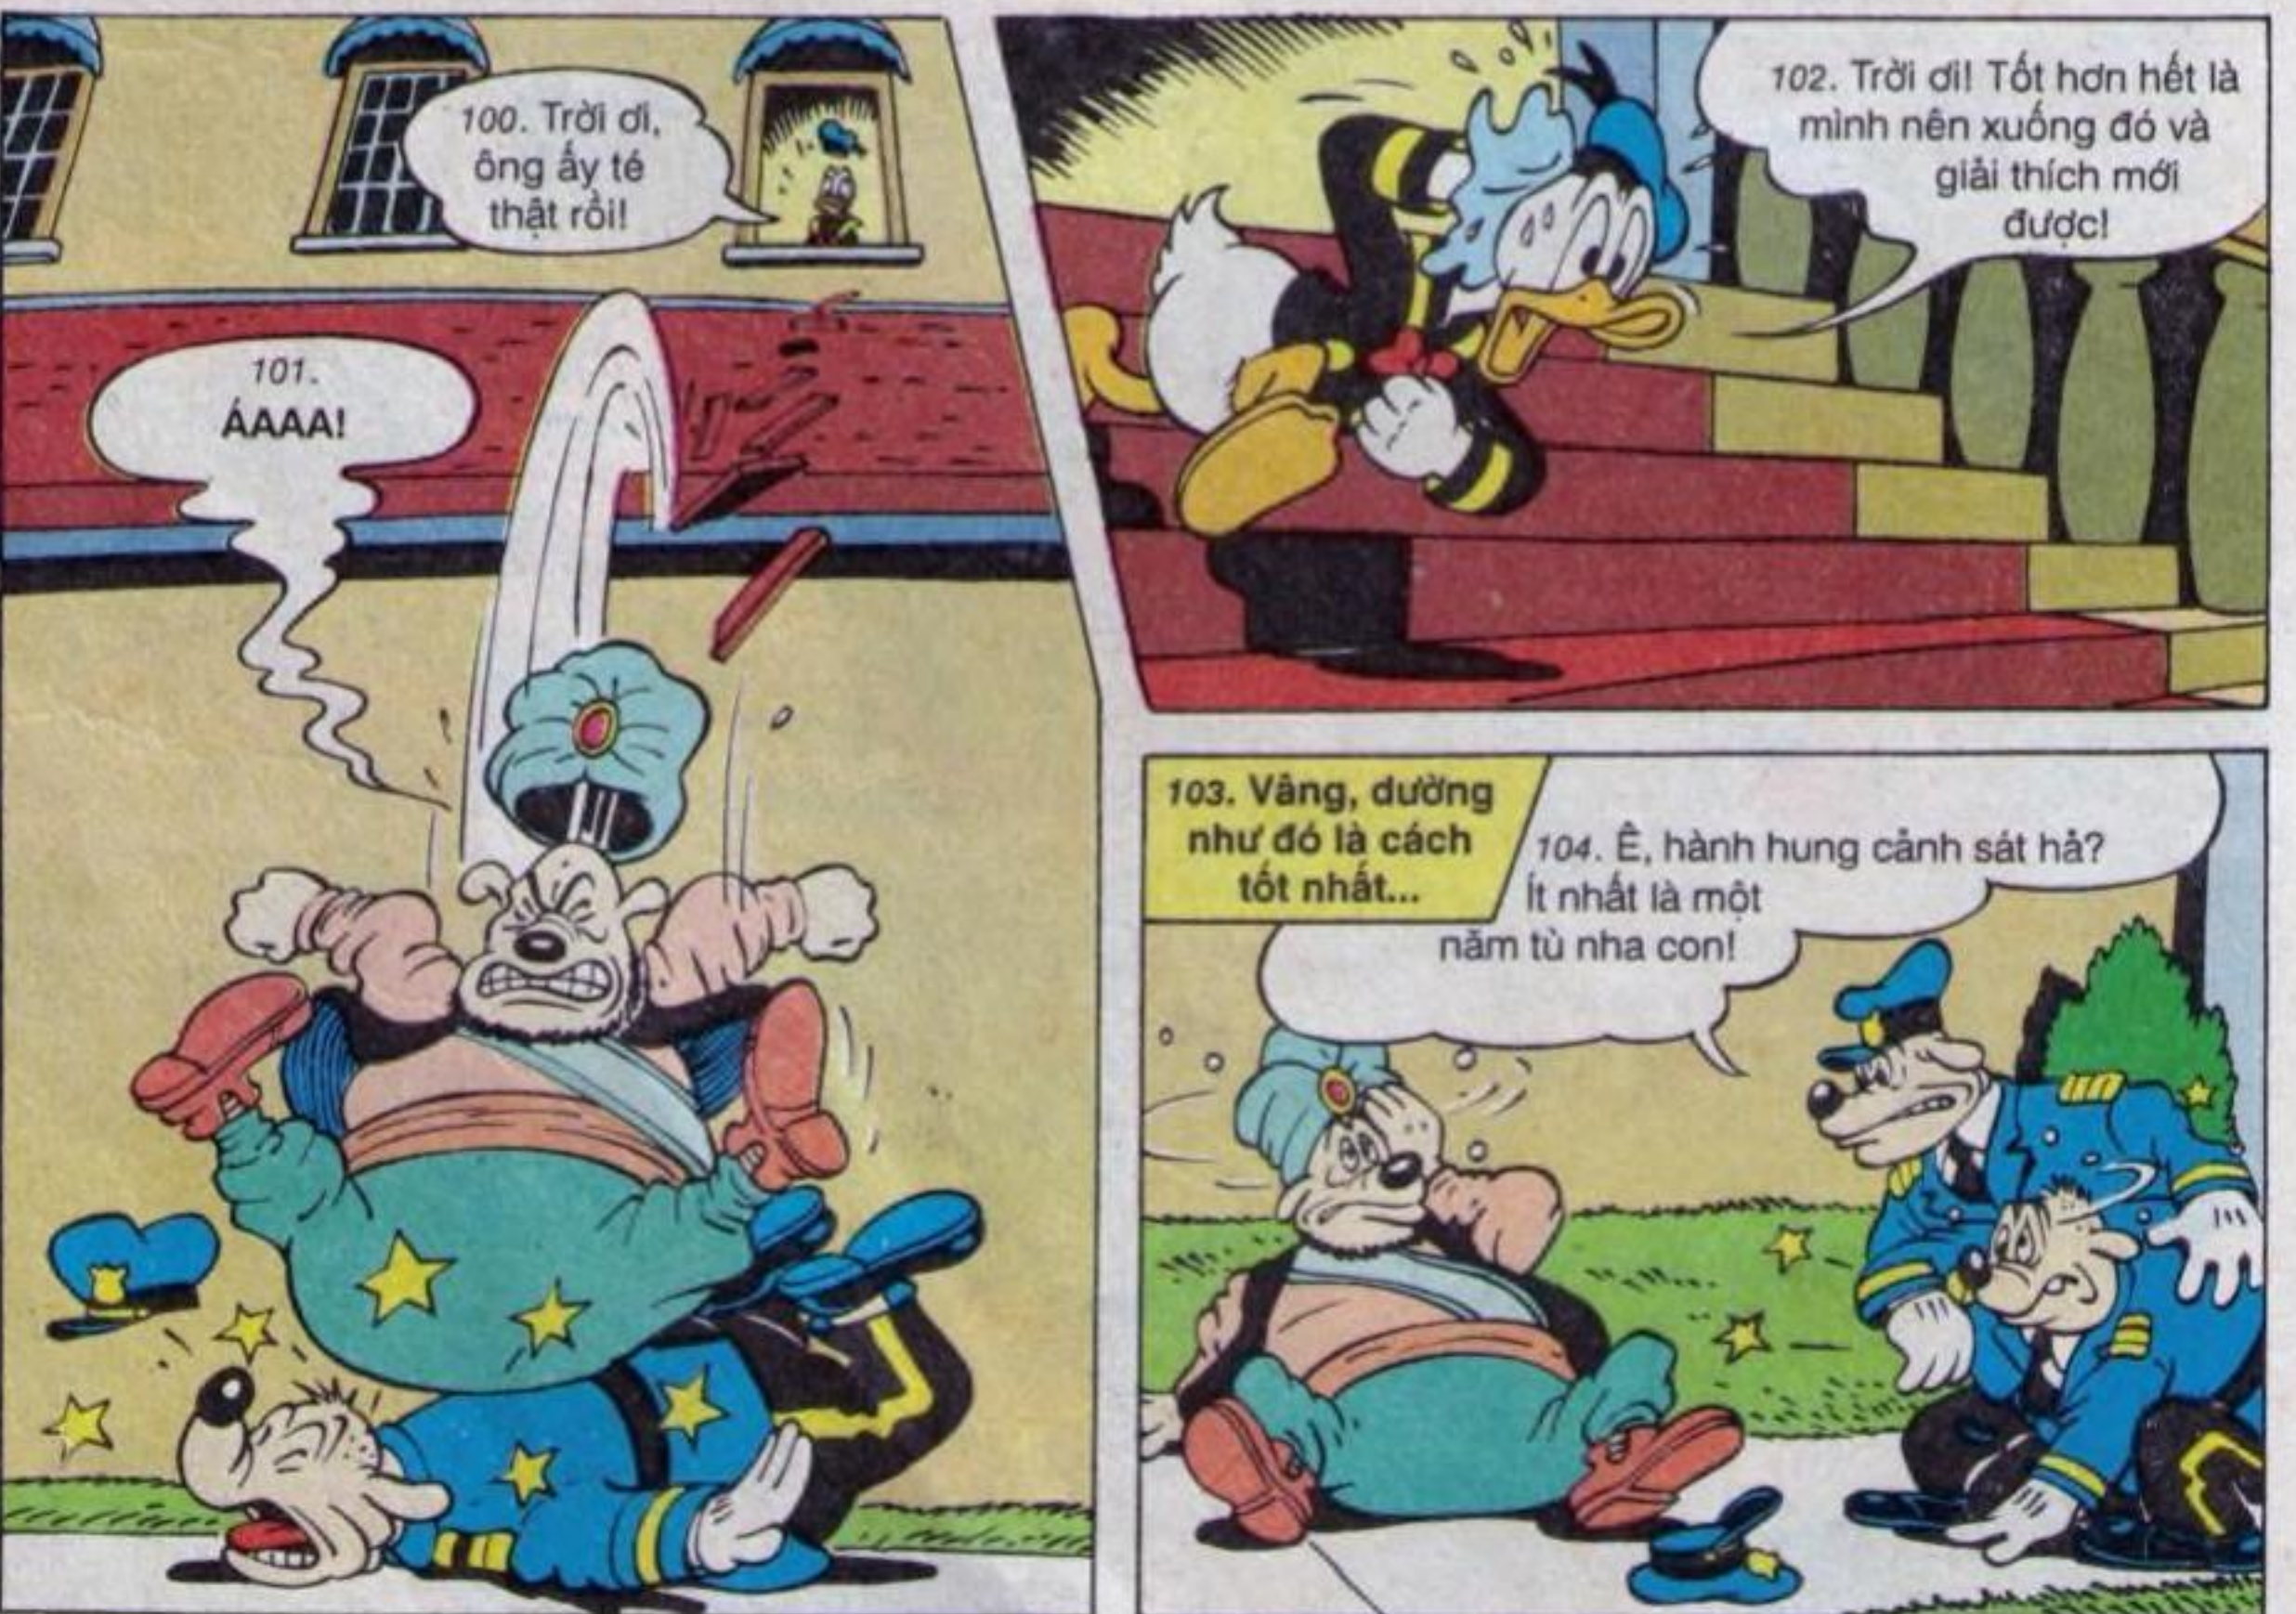

90. CLICK!

91. Yes indeed! Easy as falling off a log! No problem whatsoever! We can just...

92. We can just what?

93. Oh, no! That's why they didn't spend any money on the lock!

94. OUUUUU!!!

95. Good grief! The police in this town sure don't sit around twiddling their thumbs!

96. Close the door! We're gonna have to find another way out!

97. But shouldn't we...

98. Later! We just gotta make sure that they don't catch us in here!

99. Hey! Be careful so I don't...

100. Oh dear! He did!

101. AAAAARGH!

102. >Gulp!< I guess I'd better get down there and explain!

103. Yes, that would seem best —

104. Assault a policeman, eh? That'll be at least one year behind bars!

105. No, no, no! You can't arrest the Maharaja of Huddliputt! That might cause diplomatic disorder!

106. Hm! The duck might have a point there! I just saw in the morning paper that the Maharaja and Scrooge McDuck are negotiating some multimillion dollar deal!

107. I'm glad you realise what's best for Duckburg! And now, if you'll excuse us, we'll continue with our tour! The Maharaja's still got a lot to see!

108. Forget it, duck! The only thing I want to see now is my airplane!

109. But my Uncle Scrooge want's to

meet you...

110. I don't care! I've had enough of Duckburg! Now drive me back to the airport!

111. That is if you can find it! Maybe I should take a taxi?

112. VROOOM!

113. Hey, are you sure this is the right way back to the airport? I don't recognise this route!

114. Don't worry, Your Giantness! I can find my way through Duckburg blindfolded!

115. You driving as though you were blindfolded! >Gasp!<

116. Hey! Don't run over that little man with the red flag!

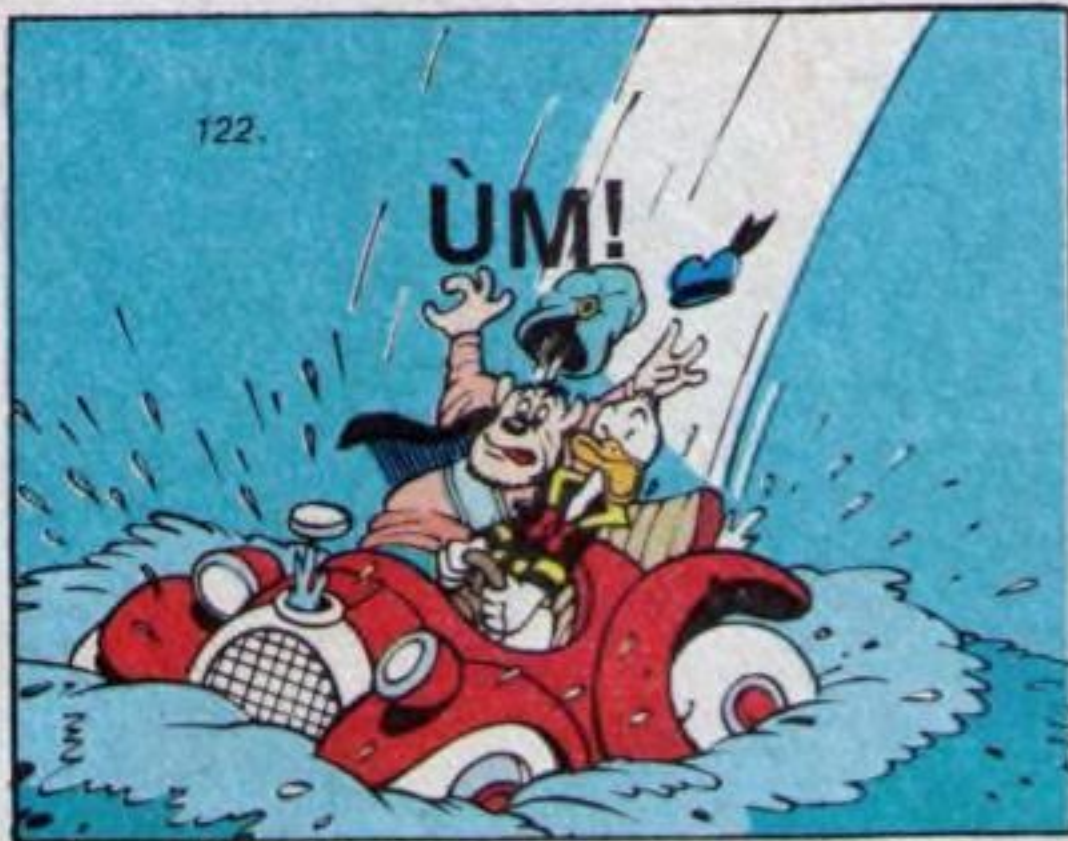

117. Strange! It seems as though he's trying to tell us something!

118. Stop the car! The drawbridge is up!

119. I said I wanted to get to the airport! Not that I wanted to fly!

120. ARGH! This bridge wasn't here the last time! Nor was the river!

121. Look! Ain't that Unca Donald's car?!

128. Nhanh lên, các cháu! Chú nghĩ đã đến lúc phải lên bờ rồi!

130. Chú đã xong việc tính toán chính xác xem chú cháu mình đang ở đâu chưa, hờ chú Donald?

131. Chưa!

133. Ha, ha, ha!

122. SPLASH!

123. Row over there, quickly!

124. What luck that we happened to be practising our lifesaving at this very spot!

125. Maharaja! Wh-what a surprise! Are you ready to discuss business now? You were going to let me buy a couple of gold mines cheaply, remember!

126. After what your nephew's just put me through? Hah! When my lawyers are finished with you, you'll be lucky if you can afford to buy a comic book!

127. I knew that you'd screw everything up, Donald! But just you wait until I get my hands on you!

128. Hurry up, boys! I think it's about time we got ashore!

129. And so —

130. Have you managed to figure out exactly where we are, Unca Donald?

131. Not quite!

132. But never mind that! The most important thing is that Uncle Scrooge can't find me here!

133. Ha, ha, ha!

CHUỘT MICKEY

Khủng long di trú

Người dịch: TRƯỜNG HẢI

1. The Dromaeosaur dinosaurs, originally cloned and raised by Professor Wagstaff, have given in to their migratory urges and escaped from Buck Calhoun's Hoodooyadoo Ranch to head south for the winter! And Mickey has been taken along for the ride! Now our intrepid mouse faces a determined army General who believes the beasts are a menace to mankind — 2. ...AIM... 3. Omigosh! There isn't any time to warn the Army that the dinos are harmless! What can I do?!! 4. CHOP CHOP 5. CHOP

6. >Whulp! < Hold your fire! 7. CHOP CHOP CHOP 8. Gosh, thanks, Professor Dustibones! I'd like to stop and chat, but these dinos won't slow down! 9. Don't worry, Mickey! I'll try to explain everything to the army!

10. Yipe! Excuse me! Pardon me! Sorry! 11. Incoming monsters! Take cover!

12. A walkie-talkie! Much obliged, pal! 13. !!! 14. I've >gulp!< got a feeling we're going to have to talk to someone about big trouble! 15. NOW ENTERING FOSTER CITY

16. Those creatures are moving into the city, sir! 17. Good gravy! Helpless citizens are in mortal danger! 18. You're wrong, General! 19. The citizens aren't the ones in danger! 20. You! The meddling old man in the helicopter! Detain this nincompoop!

21. That's Professor Nincompoop to you! Um... I mean... Professor Dustibones, Curator of the SW Museum of Paleontology, D.O.P., B.O.S. and P.H.U.D! 22. Those poor hungry animals are harmless vegetarians! They wouldn't hurt a soul! And they must be protected! 23. >Crackle! Pop! Snap! Squawk< Hello? Can anyone hear me?

24. It's Mickey! Go on, dear fellow! I read you! 25. Professor Dustibones! I sure could use some help! The dinos are in the city and there's a heckuva rumpus going on! 26. Roger, Mickey! 27. Let's move, General! We need your help in pacifying a panicked population!

28. Tell him to make it quick, Professor! 29. Help! 30. Run! 31. Monsters! 32. Get away! 33. KRAAASH! 34. SMASH!

35. Yeek! That horrible beast is chomping my chapeau! 36. Down, boy! Nice dino! You don't want that! It's plastic fruit! 37. Sorry, lady! He's just hungry! 38. YaaaAAAGH! 39. PA-TOOIE!

40. Hey, you guys! Wait! Don't do that! 41. Momma Mia! My apples! My oranges! My beautiful pears! 42. KRAAASH!! 43. ...nogoodrazzafrazinggrumblegrouse... 44. SLURP! 45. SLURP! 46. SMACK! 47. DROOL!

48. Uh-oh! We're off again! They smell something! But what?! 49. SNIFF? SNORT? 50. More trouble! What else? 51. NATIONAL FRUIT GROWERS COVENTION

52. Jeepers! These folks act like they've never seen a few dinosaurs before! 53. Aaaa! 54. Run away! 55. The other dinos are taking the stairs, but I can't follow! The crowds pushing us the other way! 56. FRUIT GROWERS CONVENTION 4TH FLOOR

57. Come on! In there, you stubborn lug! It's the fastest way to join your pals! 58. ELEVATOR 59. Fluh-fluh-fluh-floor? 60. Four, please!

61. This is my stop, all right! And not a minute too soon! 62. NATIONAL FRUIT GROWERS CONVENTION

63. All right, eat your fill! Maybe full bellies will calm you down and you'll let me guide you! 64. Mickey! We've found you at last!
65. Those animals are cornered in here! We can capture them!

66. Stop, you idiots! All you're doing is frightening them again! 67. RrrroAR!

68. No! Don't jump! It's four stories to the ground! 69. Oh my goodness! Poor Mickey!
70. Well, how about that! Who'd have guessed that dinosaurs are great at climbing trees!

71. Các con vật đang tiến thẳng ra khỏi thành phố, theo cùng một hướng di chuyển trước đây của chúng!

72. Dường như không ngăn chúng lại được đâu, thưa Tướng quân! Có lẽ đã đến lúc chúng ta thay đổi chiến thuật và để mặc bọn chúng muốn đi đâu thì đi!

73. Chúng sẽ không gây nguy hiểm cho một ai nếu ngài cử người của ngài kiểm soát những đám đông dọc theo lộ trình dự kiến của chúng!

74. À, được, nhưng tôi rất mong muốn mình biết được chúng đang đi đâu!

71. The beasts are making a beeline out of town, on the same course they were on before! 72. Looks like they won't be stopped, General! Maybe it's time we changed tactics and let them go there they want to go! 73. They won't be a danger to anyone if you assign your men to crowd control along their projected route! 74. Well, okay, but I sure wish I knew where they're going!

75. Ngày lại ngày trôi qua, bầy khủng long bền bỉ tiến về phương nam! Lời đồn về chuyến di trú của chúng lan truyền như một đám cháy rừng và những khán giả hiếu kỳ tụ tập lại ở mọi điểm dọc theo lộ trình!

76. Hãy mua áo thun khủng long đi nào! Ly tách khủng long! Vòng trang điểm khủng long! Mua mau kéo hết!

77. Phấn khởi lên, các bạn! Điểm tiếp thức ăn kế tiếp được đặt ở dưới kia một quãng nữa thôi!

75. As the days pass, the dinosaurs make their way steadily southward! Word of their migration spreads like wildfire and curious onlookers gather at every point along the route! 76. Get yer dinosaur T-shirts here! Dino drinking cups! Dino decoder rings! Get 'em while they last! 77. Chin up, Hoss! We got the next feedin' stop set up just down the road a piece!

78. Ôi! Cám ơn, Buck! Vấn đề là những anh bạn này chỉ thích ăn và chạy! Tôi chẳng có cơ hội nào để nghỉ ngơi cả!

79. Nhưng cậu phải đeo sát chúng! Nếu lỡ chúng chạy lỏng lẻo lên nữa thì cậu có thể dùng máy bộ đàm báo cho tụi tôi biết chúng ở nơi đâu!

80. Nhìn đây nè, Mickey! Tôi vừa mới đánh dấu lộ trình của đám khủng long theo dự kiến mới nhất của tôi!

81. Hừm...chúng sẽ băng qua sát bên cái Viện bảo tàng Tây Nam mới của ông!

78. >Groan! < Thanks, Buck! Trouble is, these fellahs like to eat and run! I never get a chance to rest! 79. But yuh gotta stick with 'em! If'n they bolt again, you can use that walkie-squawkie to tell us where they are! 80. Take a look at this, Mickey! I've just plotted in my latest projection of the dinosaurs' route! 81. Hm... they'll pass awfully close to your new Southwest Museum!

82. Phải chỉ có cách nào chặn dất được chúng ở đó nhì!

83. Nghe này! Khủng long là hậu duệ của loài chim, đúng không?! Rất có thể là, giống như chim, chúng hình thành mối dây gắn bó mạnh mẽ với bất kỳ ai đã ấp và nuôi dưỡng chúng!

84. Do đó chắc chắn chúng sẽ đi theo mẹ của chúng đến bất cứ nơi đâu!

85. Giáo sư Wagstaff!!

82. If there wuz only some way to herd them critters there! 83. Hold the phone! Dinosaurs are descended from birds, right?! Maybe, like birds, they form strong bonds with whoever hatches and raises them! 84. So surely they'd follow their "mommy" anywhere! 85. Professor Wagstaff!!

86. One quick phone call... 87. Fortunately, I've just finished the exhibit you abandoned, Dustibones! I suppose I could rendezvous with you! 88. I might have known my vast experience would be urgently required! 89. ...and two shakes of a stegosaur's tail later — 90. You heard me, Wagstaff! Ride over and intercept your dinosaurs! 91. This is preposterous! I've never ridden a horse before!

92. > Gulp! < If this doesn't work, I could be stuck riding with these guys all the way to South America!

93. Babies? My little sweetum-weetums? My darling ootchie-cootchies? It's me! Mommy!

94. RrrrrRRRR? 95. Golly! What will they do? 96. Yahoooo! Success! They think Wagstaff is their mommy! 97. RrrrRRR!!!

98. Attaboy, Professor! Now you can lead the dinos right to the Museum! And I can finally get back on solid ground! 99. Congratulations, Mickey! Your plan worked! But why are you walking like that? 100. You'd be walking like this, too, if you'd just spent the last few hundred miles riding bare-back on a dinosaur!

101. And so — 102. Well, Professor Dustibones, it looks like the dinos' presence has ensured that your new museum will be a hit! 103. Yes, they'll have a home here from now on, but only in the wintertime! 104. SOUTHWEST MUSEUM OF PALEONTOLOGY

105. Ya see, Hoss, we figured that the critters will wanta go north again to muh ranch in th' spring, and we don't wanta try stoppin' em! 106. But the government has agreed to protect their migratory route and give them safe passage twice a year! 107. Boy! I'll bet that'll be an event that folks everywhere will look forward to!

108. Now for the big surprise I promised you! After the dinosaurs arrived, we discovered that two of them were carrying eggs! 109. RESTRICTED ACCESS 110. Holy cow! 111. But they needed a little help in hatching their young...
